You now have a custom template saved for your "**New**" Slip Strip Label Inserts. *Note: Create a separate Template for each different "length" of label insert needed.* You can now create a full page of the same label, single labels, or mail merges. To use this template at another time; Click on Tools, Envelopes & Labels, Label Products: Select "Other" then click on the Product # (This is the Label Name you just created i.e. LIS75812).

**Note: For all label lengths except 8" length labels you will have to use a paper cutter to cut the right side of your label to the desired length.**
